XIO STRATEGIES REACHES LANDMARK ANNIVERSARY
Celebrates 5 years of continued growth and quality client services

MCLEAN, VIRGINIA – XIO Strategies, Inc., one of the region's fastest growing small businesses, is pleased to announce the celebration of 5 years in operation.

Founded March 15, 2002, XIO has grown to \$2M in revenue in FY06 and over 25 full- and part-time employees. In 2006 alone, the company more than doubled its business. "Thanks to an outstanding roster of clients in both the government and commercial sectors, we continue to challenge ourselves and grow our business," said President and Founder of XIO, Mary Ann Wagner. "We have become a leader in providing change management and supply chain management to the Federal Government and corporations."

To commemorate the occasion, XIO hosted a cocktail reception in Tysons Corner on April 12, 2007 to thank clients and staff for their continued dedication. Ms. Wagner addressed the crowd and noted, "I look forward to the next 5 years of growth and remain committed to the principles that have brought us here. We serve our clients with purpose, direction, and unmatched commitment to bring them closer to their goals."

About XIO Strategies, Inc.: XIO facilitates the implementation of cutting-edge technology through its unique approach to change management.
