XIO Strategies Named to 2008 Virginia "Fantastic 50" Company achieves 286% growth rate over a four-year period

McLEAN, VIRGINIA – XIO Strategies, Inc. today announced that it was named to the Virginia Chamber of Commerce 2008 "Fantastic 50". XIO, a leading supply chain management and change management consulting firm in the Washington, DC area, ranked #23 on the prestigious list, by achieving a four-year growth rate of 286%. The winning companies were saluted at an awards banquet held at the Westfields Marriott in Chantilly, Virginia on May 1st.

"My heartfelt gratitude goes to each member of the XIO team for their efforts in making our receipt of this tremendous award possible," said XIO Strategies President and CEO Mary Ann Wagner. "It is a thrill that by working with the some of the most sought-after clients and partners in our industry, and doing something we love, that we are able to achieve such strong growth."

Nominations for the [Virginia Chamber's](#) Fantastic 50 were solicited statewide from local chambers, economic development organizations, small business development centers and through the sponsors' networks. To be eligible, companies were required to be privately held, with headquarters in Virginia, and to show sales between \$200,000 and \$100 million. All nominated companies were judged on a four-year sales revenue history.

About XIO Strategies, Inc.: XIO Strategies, a Virginia-based woman-owned business, specializes in providing end-to-end supply chain management and change management consulting services to government, military and commercial organizations. XIO works with organizations both large and small to effectively support technology deployment, conduct research and training, create marketing materials, and manage communications programs during periods of change. Through work in policy planning, process analysis and deployment of the next generation of AIT tools, the XIO team strives to optimize supply chain processes so they are poised to propel our clients forward.
